

Section 7 - Investigating a change of data (1 mark)

In this section you will:

- need to alter one student's data
 - find out what difference this makes to her overall grade
 - give evidence of your findings
- a) Make a copy of the Awards, Comments and Passes work sheet and place it after the **Chart**.
 - b) **Rename the work sheet as Data Change.**
 - c) Ann Gunn's Science mark is wrong. It should be 49 not 9. Alter the data on the new work sheet.
 - d) Type a report of your findings in a text box inserted below the table.
 - e) Add appropriate headers and footers. **This is printout no.7.**
